

WORKSHOP FOR PARENTS, GRANDPARENTS AND CAREGIVERS

how to make a **VISION BOARD**

Vision Boards: Get Crafty and Change your Life!

Join us for an evening of inspiration, glue sticks and glitter!

Vision boards are powerful tools for setting and achieving goals and dreams, in a visual way that will remind you of them.

You don't have to be an artist! Be ready to express your goals, and have some fun while you're at it!

Once you register, we will send you supplies to help you get started on your vision board during this session. Bring your child and create goals together.
